More than 600 students throughout Washington

Welcome

Welcome Students and Parents,

At iQ Academy Washington, our number one priority is to provide a high-quality individualized education that helps you succeed in school and beyond. We offer an award-winning curriculum for grades 6 through 12, an innovative virtual learning environment, and a supportive teacher and student network—all designed to help you excel academically.

iQ Academy students have a diverse range of interests, talents, and commitments. Our dynamic online format gives students the freedom to succeed in school while pursuing individual passions. Students can log in anytime, anywhere they have Internet access to work on their weekly pace schedule. We teach competitive athletes, gifted learners, musicians, future cinematographers, and community volunteers. We also enable students who have medical needs, family obligations, or have difficulty fitting in socially to thrive in school.

You can enroll in iQ Academy for the upcoming 2011–2012 school year—tuition-free.

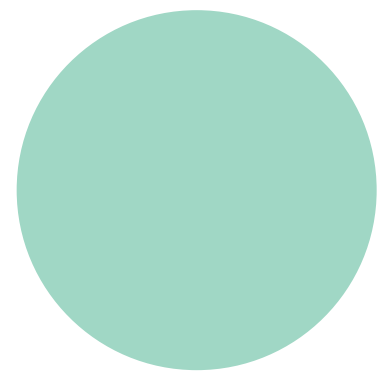

Sincerely,

Anne Sturdevant
Principal, iQ Academy Washington

Whether you dream of developing a new solar cell technology or of running your own design agency, a great education will give you the tools to thrive. Since 2008, iQ Academy Washington has helped students build a solid academic foundation on which to succeed. iQ Academy offers an individualized online education and the flexibility to pursue your personal goals.

- Enroll tuition-free on a full-time or part-time basis.
- 24/7 technical support and an iQ e-mail account for all students. Full-time students can receive a laptop with the latest software.
- 24/7 online access to classes and grades.
- Follow the pace chart and weekly schedule, and guide yourself through readings, assignments, quizzes, and tests.
- Receive class instruction from teachers via weekly Elluminate® sessions and connect with teachers by telephone, e-mail, and chat.
- Parents can monitor progress and performance through observer access and monthly progress reports.
- Students must stay on pace and finish class requirements by the end of the semester.

Meet Lindsey, a 10th grade iQ Academy Washington student:

Lindsey is in her second year at iQ Academy. Previously, she had been home schooled for 7 years but decided she was looking for a more rigorous curriculum to better prepare her for college. Lindsey is active in her community and local church. She frequently performs throughout the Northwest with her church choir and really appreciates that iQ provides the flexibility she needs to participate in these performances. When school is not in session, Lindsey has volunteered for two summers at an orphanage in Mexico to help teach children how to read.

Tailor school to your interests

We offer a wide variety of online, media-rich courses, all backed by more than 30 years of distance learning experience. Choose from:

- Core classes in English, math, science, and social studies
- Electives ranging from art appreciation to Spanish to digital photography

Succeed on your terms

iQ Academy Washington is a public online middle and high school:

- Study anytime and anywhere you have Internet access
- Complete your courses without waiting for others to catch up
- Plan school around commitments such as sports, travel, medical needs, or community service

Manage your own time: Read today's science lesson. Attend gymnastics tryouts. Eat lunch. IM a friend about an AP English assignment. Start work on your digital imaging project. The options are infinite.

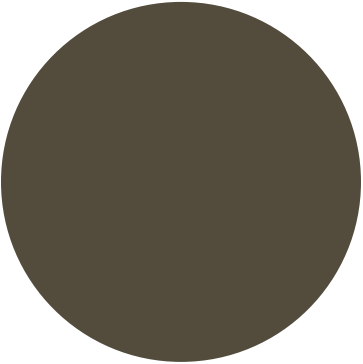

Learn from inspired, supportive teachers

Our state-certified teachers are passionate about helping you succeed. iQ Academy Washington teachers answer your specific questions in virtual classrooms and via e-mail and phone. You and other students can collaborate with teachers and learn together!

In addition, iQ Academy Washington student is matched with a dedicated student advisor or a professional counselor, for personalized consultation and support.

Meet Jason, an 11th grade iQ Academy Washington student:

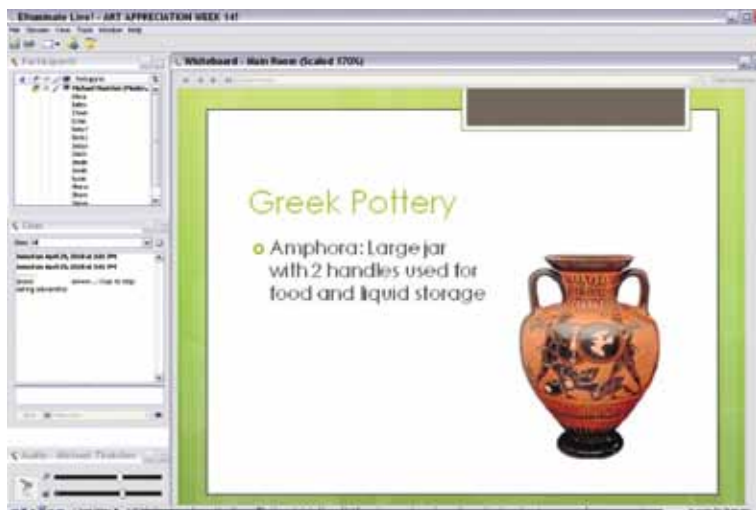

Jason is a dedicated student who has recently been diagnosed with a serious illness. He has a compromised immune system which prevents him from being in a regular school with other students. iQ Academy Washington has provided him with a way to continue his education while undergoing treatment. His family is very grateful to have this option available, and Jason is able to keep up with his studies and will be able to graduate on time.

Graduate with 21-st century skills

Our online learning format prepares you for success in the 21st century. You're empowered to set your own priorities and learn how to manage your schedule. iQ Academy curriculum fosters self-discipline, critical thinking, and confidence—skills that last a lifetime. iQ Academy graduates are accepted to prestigious colleges and career and technical schools throughout the United States.

iQ Academy Learning Tools

Elluminate®

Teachers hold weekly Elluminate sessions where they show presentations, have students work collaboratively, and answer questions. Elluminate allows for real-time voice communications, instant messaging, and an interactive white board. Students can raise their hands, ask questions, and work with other students all through Elluminate.

Parents have real-time access to grades and assignment logs

Parents monitor progress through observer access, progress reports, and report cards

Students plan to spend one hour per day, per class to be successful

Our pace charts help students and parents keep on track.

Course name and description.

Identify the week.

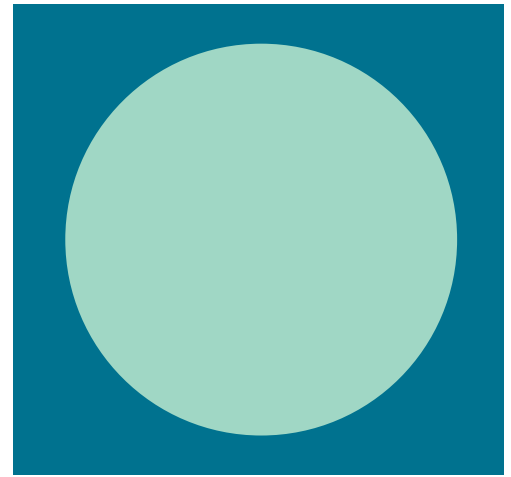

Review the list of assignments for the week. Those in red must be submitted for a grade.

Progress Report timing is clearly indicated, to help you stay on pace for success!

iQ Academy parents have an observer account to monitor progress.

Frequently Asked Questions

- Is iQ Academy the same as home schooling?**
Students enrolled in iQ Academy Washington do their learning at home, but they are participating in a program of Evergreen Public Schools. Classes are taught by state-certified teachers, and the curriculum is approved by the school district for earning middle and high school credits.
- What kind of diploma will my child receive after completing iQ Academy?**
Students who complete all the requirements for graduation will receive a High School Diploma from iQ Academy and Evergreen Public Schools.
- How do I get help from my teachers if I am having difficulty with my course(s)?**
Your teachers will provide feedback on any assignments or projects you complete. You can also contact your teacher via e-mail or by telephone. In addition, each teacher has regularly scheduled online office hours. During the scheduled time, students interact with the teacher and other students in a virtual classroom.
- We don't have a very good computer at home. Can my child participate in iQ Academy Washington?**
Yes! Every full-time iQ Academy student has the option to use one of iQ Academy's computers while enrolled full-time in our program.
- As a parent, how can I check on my son/daughter's progress in iQ Academy?**
Parents are assigned an Observer login and password to enter the iQ Academy site. By using this login, parents can go directly to their child's classes and see what assignments have been completed and what their child's grades are at any time. A progress report is mailed home every month.
- Is there required participation in state standards-based testing?**
State testing is required each spring for middle school students in grades 6–8. High school students must take the High School Proficiency exam in 10th grade. Students must pass this exam in order to graduate.
- How do we know if iQ Academy is the right school for us?**
We invite you to contact us at **888.899.4792** or e-mail us at **info@iqacademywa.com** or visit **www.iqacademywa.com** and learn as much as you can about what iQ Academy has to offer you and your child. Gathering as much information as possible is the best way to make an informed choice.
